**Planning & Zoning**

- **Approval of #A 2022-001** – Annexation of 19.04 acres, GA10/US78 at Rosewood Circle; Parcels C06101330DP & C0610133; Rosewood Development Company, LLC. Town of Between, Georgia. Kris Rosendahl of Rosewood Development Company made an opening statement at the podium. Mayor Post asked if any members of the public had any questions or comments about the proposed annexation. Renee Unterman asked if she could make a comment in response to the proposed annexation; Ms. Unterman stated that she was not opposed to the proposed annexation; she is opposed to how the drainage and runoff is being handled, citing that silt is coming into the 4-acre lake on her property, which is adjacent to where Rosewood Development is performing construction. Kris Rosendahl responded to Ms. Unterman's comments and said that he has done everything that Walton County has asked him to do, stating that no silt is going onto her property and that muddy rainwater could occur. Ms. Unterman said that the issue is that there is not a retention pond on the other side of Kris Rosendahl's property, which is what she claimed is causing the runoff to enter her lake. Ms. Unterman stated she has made financial investments to preserve her lake, and she is considering taking legal action against multiple entities, citing that her fish have died as a result of the drainage to the lake. After several debates back and forth between Ms. Unterman and Kris Rosendahl, the Council voted on the annexation request. Motion was made by Councilmember Rubin to approve annexation, and Councilmember Boswell seconded the motion. The annexation was unanimously approved and recorded. (**Note:** The run off issue began several years ago when Walton County began construction of the Ayer's Park Splash Park and the contractor failed to maintain the runoff control devices.)
- **Approval of #Z 2022-100** – Rezone 24.55001 acres from B2 to PBD for a planned business development; Owner/Applicant: Kris Rosendahl; Rosewood Development Company, LLC. The Property is located on GA10/US78 at Rosewood Circle. Map/Parcels C0610133DP & C0610133. Town of Between, Georgia. Motion was made by Councilmember Boswell to approve annexation, and Vice Mayor Satterwhite seconded the motion. The rezoning was unanimously approved and recorded.
